WHAT YOUR ENGINE NEEDS

## Filtration and Exhaust Parts

Our qualified and trained staff is available to help with all of your sizing and technical needs. Mondial is one of the largest suppliers of "wet" and "dry" filters for all your heavy-duty, marine, and off-road applications. We also offer bulk storage filtration and fuel polishing.

## Fuel Additives & Cleaning Chemicals

Inferior quality diesel fuel can cause performance issues, premature wear, gumming of components, and plugged filters. The best way to protect your diesel engine is with diesel fuel additives. From cetane boosting, gelling, biocide, and lubricity, our trained staff is always willing and able to help you choose the correct additive for your application.

## Inverters, Isolators & Electrical Accessories

Looking to add 110V power to your car, boat, truck, or commercial application? Our factory-trained staff can help you spec out any application. We also sell the charging system and the wiring solutions needed to keep your vehicle running properly.

Mondial has over 60 years of experience serving the heavy-duty aftermarket. We stock a complete line of remanufactured and new alternators, starters, carburetors, turbos, injectors, diesel fuel pumps, diesel particulate filters, water pumps, fan clutches and filtration products for heavy-duty, agricultural, passenger car, industrial, and marine engines. We are committed to supplying our customers the highest quality parts backed with superior service. When quality counts, you can rely on Mondial for all your needs.
