## M90R3548SE VS BOSCH COMPATIBILITY

The Bosch HEF and Mitsubishi 90P starters on MAN TGA, TGS, TGX series are not interchangeable.

The Prestolite M90R3548SE cannot be used as replacement for the Bosch HEF type on the older MAN TGA, TGS and TGX applications, due to an offset on the Bosch type starters.

The M90R3548SE is 100% compatible with the Mitsubishi 90P type, including the type with heatshield mounting. See table below for correct cross-references.
